F. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. part 75.

G. Noncompliance with HUD's regulations in 24 C.F.R. part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

H. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Re: Municipal Recovery Planning Program (MRP) Atkins PM Contract Amendment

RM

WORR
WORR

On February 10, 2021, a management services agreement for MRP was signed between PRDOH and Atkins Caribe, LLP. During the development of the program we have realized that some amendments to the contract are needed. These changes do not affect the amount contracted, but they do allow flexibility to carry out work. The language to be modified is found mainly in Section II. Term of Agreement (page 3) and in Attachment 1B. Scope of Service (page 70) of the contract. These are:

1. Section II. Term of Agreement: Change the final date of the contract to "September 10th, 2022" so that the 18 months can be executed, taking into consideration that the contract was signed in February but it was not until March 10 that the order to proceed was received.
2. Attachment 1B. Scope of Service-Planning Program Management Services, Table 14 Hourly Rates: In order to have greater flexibility in the use of hours and effort of the resources assigned to the project, during the total term of the contract Atkins would like to modify the contract language so that it reads "Estimated Hours per Month per Resource" instead of "Maximum" and amend the language of "Maximum Monthly cost per resource" to read "Monthly Estimated Cost". Also, include a clarifying note stating that "Services will be provided to satisfy the program's needs. Therefore, there could be months where the estimated monthly cost is less or more than the expected estimate. The Contract is expected to function as a not to exceed contract from which services will be invoiced based on actual hours worked by each resource."

The Programmatic Area reviewed and discussed the proposed changes with Atkins Caribe, LLP and recommends its approval. Please contact the MRP Program Area if any additional questions should arise.

Sincerely,

Carlos R. Olmedo
PRDOH Deputy-Director of Planning
