Overview:

On May 14, 2021, the Puerto Rico Department of Housing (PRDOH) and the PUERTO RICO TECHNO ECONOMIC CORRIDOR, INC. (PRTEC) (the Subrecipient) entered into a subrecipient agreement (SRA) for the Small Business Incubator and Accelerator (SBIA) Program for a period of forty-eight (48) months from the day of its execution, for designated one million five hundred fifty thousand and fifty-three dollars (\$1,550,053.00) registered as Contract Number 2021-DR0209.

After a detailed review, the Subrecipient stated that it will not be able to absorb the insurance costs required for the program. Therefore, the line item named "Project Coordinator" previously included in the Professional Services section of the Exhibit D from the SRA has been eliminated to re-allocate the amount to the Insurance line item under the Other Operating Section. Nevertheless, the tasks related to the position eliminated and substituted by the insurance category, will not be affected since those tasks will be performed by the Field Coordinator included in the Professional Services. By implementing those changes, the difference has been re-distributed within the previous approved line items without exceeding the awarded amount.

The Programmatic Area, in its best interest to comply with monitoring procedures, agrees to move forward with this modification since it does not imply a change in the initial program award; rather it entails a modification in Professional Services and Other Operating Sections and re-allocation of funds detailed in the budget. Said request will result in the modification of Exhibit D of the SRA Agreement. It is important to note that our Legal and Finance Teams agree with the Programmatic Area's assessment.

As per the reasons stated above, the SRA should only be amended to modify Exhibit D as this will allow the Subrecipient to continue with its program implementation. If you have any questions regarding this matter, feel free to contact me at your convenience.
