WHEREAS, the Parties wish to amend the Agreement, as amended, and become subject to the terms of the Agreement, as amended, and this Amendment B.

NOW THEREFORE, in consideration of the mutual promises and the terms and conditions set forth herein, the PRDOH and the CONTRACTOR agree as follows:

II. AMENDMENT:

- A. Amendment Seven (7) of the CDBG-DR Action Plan, approved November 5, 2021, incorporated elevated construction as an allowable construction activity for homes located in the floodplain. This new construction option requires a modification to the R3 environmental workflow, and consequently, a change to the invoicing process of Tier 2 Environmental Review Records (ERRs).

The deliverable of a completed Tier 2 ERR requires the Environmental Consultant (EC) to perform several tasks. With the current R3 environmental workflow and under the existing payment structure, the Tier 2 ERRs are invoiced as a single unit once completed. Due to the redesigned environmental workflow, The ECs delivery for Tier 2 Environmental Review Records will be divided into two (2) sub-tasks: (i) the environmental site visit and preliminary desktop review of the Storm-Damaged Property, which will help determine if the property qualifies for reasonable elevation; and (ii) the Tier 2 Environmental Review Records as a final deliverable for the application.

Given the division of these tasks, the compensation of the Tier 2 ERR will be divided into two (2) payments, correspondingly. First, the preliminary environmental site visit paired with the desktop review, and second, the finalized approved Tier 2 Environmental Review. Because of the new environmental workflow, the Parties agree to amend **Article I. TYPE OF CONTRACT** to replace **Attachment D (Cost Form)** with an amended **Attachment D (Cost Form)**. (See **Attachment I** of this Amendment B).

- B. As of April 4, 2022, the Federal Government stopped the use of the DUNS Number as the primary means of identity identification for Federal awards government-wide and replaced it with the Unique Entity Identifier (UEI). Accordingly, the Parties agree to replace the DUNS Numbers with the following Unique Entity Identifier:

PUERTO RICO DEPARTMENT OF HOUSING
Unique Entity ID: **FFNMUBT6WCM1**

TETRA TECH, INC.
Unique Entity ID: **E3QKBMJ7H9K7**

- C. All other terms and conditions of the Agreement remain unchanged.
- D. Each party represents that the person executing this Amendment B has the necessary legal authority to do so on behalf of the respective party.
