HOUSING COUNSELING PROGRAM

PONCE NEIGHBORHOOD HOUSING SERVICES, INC.

DESCRIPTION SERVICES

Ponce NHS has been offering services regarding housing counseling under our Housing Acquisition, Conservation, Mitigation and Preservation Program. These includes counseling, orientation, and workshops for the following topics: First Time Home Buyer Counseling, Financial Capability and Budget Management, Affordable Mortgage and Housing Rehabilitation Loan Products, Post-Purchase, Home Maintenance, Foreclosure Prevention, Loss Mitigation, Disaster Relief and Recovery Orientation/Counseling, among others. The participants will be reach thru outreach and community fields visits, from our case managers/community organizers, or refers from other organizations. In addition, our Housing Counselors will assist walk-ins, and participants from the Marketing and Promotions Outreach Program.

Services will be provided thru general orientation (phone call or in person), workshops and one on one counseling. The populations will be targeted as part of the need assessments, performed by the Case managers/Community Organizers. Also, during the outreach process, the participants will be identified depending on the necessity that their community is facing. With all the data collected, the service delivery area will be assisted and served, with assertive and specific services, responding the needs of the communities and their residents.

Ponce NHS has a 15-municipality network area that includes the South and Central area of PR, but if our services are needed in another region, we provide them island-wide. To be more efficient, our organization has satellite offices in some Town Halls around our network area. Using these offices, our organization has a broader outreach capacity that can let more families receive services and assistance, especially those without the resources to get

to Ponce. Because of the necessities that our communities are confronting after the Hurricanes Irma and Maria, Ponce NHS has included 9 more municipalities from the Southwest and Central area of PR. This will offer more services to a broader spectrum of participants from isolated and communities from those.

1. General Provisions.

- EEA*
- a) The Parties acknowledge that the following provisions of this Exhibit are hereto incorporated by reference and made an integral part of the aforementioned Subrecipient Agreement as **Exhibit G**.
- b) Changes in the provisions of this Exhibit will require an amendment to the Subrecipient Agreement. Such amendment would result in the incorporation by reference of a modified **Exhibit G** to the Subrecipient Agreement.

2. Subrogation and Assignment Relating to Funds Received from the Puerto Rico Department of Housing – Housing Counseling Program.

- WORR*
WORR
- a) These provisions are incorporated into the Subrecipient Agreement in consideration of the commitment by PRDOH to evaluate Subrecipient's application for the award of disaster assistance funds (the "**Application**") or the Subrecipient's receipt of CDBG-DR disaster recovery funds (the "**Grant Proceeds**") under the Program being administered by PRDOH.

Subrecipient further acknowledges that these provisions are intended to ensure that Subrecipient does not receive duplicate benefits available to the Subrecipient from another source, for the same purposes as the Grant Proceeds provided under the Program, and that, any assistance determined to be duplicative must be deducted from the Program's calculation of the Subrecipient's total need prior to awarding assistance.
- c) Subrecipient hereby subrogates and assigns to PRDOH any and all of Subrecipient's future rights to, and any interest Subrecipient may have in, any reimbursement and all payments received or subsequently received from any grant, loan, insurance policy or policies of any type (each individually, a "**Policy**")
