

WORKFORCE TRAINING PROGRAM

The program supports entities throughout the Island to offer training in work skills related to the reconstruction and economic growth of the Island. Also, in skills necessary to place Puerto Rico in the future economy.

It benefits people who are unemployed or under-employed, who will be able to find work thanks to the skills acquired through the program.

Some of the offerings are: skills in tourism, proposal development, masonry, plumbing, business administration, and solar panel installations, among others.

Learn about the entities throughout the Island focused on developing the skills and abilities of Puerto Ricans under this program and their specific courses.

Take the opportunity to develop your skills and strengthen them to continue contributing to Puerto Rico!
