Rodríguez Rodríguez, attorney, of legal age, single, and resident of Guaynabo, Puerto Rico, in his capacity as Secretary; and FLEXIBLE & INTEGRATED TECHNICAL SERVICES, LLC (FITS) (CONTRACTOR), with principal offices in Calle La Paz 165 STE 2, Aguada, Puerto Rico, herein represented by José C. Torres Berrios, in his capacity as President, of legal age, married, engineer and resident of Dorado, Puerto Rico, duly authorized by Corporate Resolution dated July 14, 2023 by the CONTRACTOR; collectively the "Parties".

I. RECITALS AND GENERAL AWARD INFORMATION

WHEREAS, on August 4, 2023, the PRDOH and the CONTRACTOR entered into an Agreement for Temporary Staffing for Professional and Non-Professional Services under the CBDG-DR/MIT Program, registered under Contract No. 2024-DR0007, for a maximum amount not to exceed FOUR MILLION FOUR HUNDRED TWELVE THOUSAND THREE HUNDRED FORTY DOLLARS (\$4,412,340.00); from <u>Account Numbers</u>: mitp01rad-doh-na 4190-10-000; mitp02map-doh-na 4190-10-000, mitp03pcb-doh-na; 4190-10-000, r01p03api-pba-na 4190-10-000; and r02p02crp-fpr-na 4190-10-000, ending on August 4, 2024 (Agreement or Contract).

WHEREAS, as per Article XL of the Agreement, the Agreement may be amended in writing and signed by a duly authorized representative of each party. Nonetheless, the amendment shall not invalidate the Agreement, nor release the Parties from their obligations under the Agreement.

WHEREAS, this Amendment A is not intended to affect nor does it constitute an extinctive novation of the obligations of the Parties under the Agreement, but is rather a modification and amendment of certain terms and conditions under the Agreement.

WHEREAS, each party represents that the person executing this Amendment has the necessary legal authority to do so on behalf of the respective party.

NOW THEREFORE, in consideration of the mutual promises and the terms and conditions set forth herein, the PRDOH and the CONTRACTOR agree as follows:

II. SAVINGS CLAUSE

The information included in this Amendment A serves the purpose of modifying and amending certain terms and conditions under the Agreement, as established in the following Articles III and IV of this Amendment A. All other provisions of the original Agreement, including its attachments, shall continue to be in full force and effect.

III. SCOPE OF AMENDMENT

The PRDOH Planning Division has determined that the Agreement must be amended in order to change Attachment C (Compensation Schedule) to remove all references to programs, remove monthly position costs, update notes, and add all positions specified in the RFP. In addition to the resources listed in the original solicitation, this Amendment A adds a Surveyor. In accordance with Procurement Manual for the CDBG-DR Program, Regulation No. 9506, effective September 25, 2023, the Procurement Division conducted a cost reasonableness analysis. It found that, upon examining the additional position of Surveyor, it is reasonable to charge \$126.00 per hour. Because it doesn't affect the actual budget and the Surveyor position has a reasonable hourly rate, the Procurement Division concluded that the proposed estimated hourly rate for the Surveyor position for Amendment A is reasonable. The Agreement's duration or amount are unaffected by this Amendment A. In addition, Attachment D (Performance Requirements) will be updated to reflect the years of experience, necessary qualifications, and preferred qualifications for each position for which candidates will be sought. Lastly, revised copies of Attachment G (Contractor Certification) and Attachment H (Non-Conflict of Interest Certification) are also included in this Amendment A.

ATTACHMENT D PERFORMANCE REQUIREMENTS

Temporary Staffing for Professional and Non-Professional Services Request for Proposals. CDBG-DRMIT-RFP-2022-12

INTRODUCTION

This document represents performance metrics and requirements for Temporary Staffing for Professional and Non-Professional Services. The Contractor shall adhere to the requirements of this document. The Contractor shall develop workplans, schedules, reports, and/or any other document as may be requested by PRDOH or its representative in connection with the metrics and requirements set forth herein. The Contractor shall submit any of such documents for review and approval as requested by the PRDOH within the specified time frame provided for such request. PRDOH reserves the right to request any information as part of the Grantee's responsibilities. The Contractor is responsible for compliance with all aspects of the Scope of Services that will be included as an Attachment of the Contract.

The requirements and metrics included in these Performance Requirements may be modified, including the addition of new requirements based on the Program's development and implementation, at the discretion of PRDOH for the Program's Benefit.

LIQUIDATED DAMAGES & PENALTIES

The Contractor shall pay to PRDOH, as liquidated damages, \$100.00 for each calendar day that a required deliverable is late until deemed in compliance, subject to a maximum of \$1,000.00 to be established per deliverable. Said sums, in view of the difficulty of accurately ascertaining the loss which PRDOH will suffer by reason of delay in the completion of works requested, are hereby fixed and agreed as the liquidated damages that PRDOH will suffer by reason of such delay. Liquidated damages received are not intended to be nor shall they be treated as either a partial or full waiver or discharge of the PRDOH's right to indemnification, or the Contractor's obligation to indemnify the PRDOH, or to any other remedy provided for as a provision of the contract or law. Liquidated damages may be assessed at the sole discretion of PRDOH. For the purpose of applying and calculating such liquidated damages, a grace period of ten (10) days shall be observed, and the schedule may be extended by any additional time or delays outside the control of the Contractor caused by act or omission of the PRDOH, HUD, or any of their representatives. The PRDOH may deduct and retain out of the monies which may become due to the Contractor, the amount of any such liquidated damages; and in case the amount which may become due is less than the amount of liquidated damages due to the PRDOH, the Contractor shall be liable to pay the difference.
