SCOPE OF WORK

NON-FEDERAL MATCH PROGRAM

MUNICIPALITY OF GUAYNABO

1. Program Overview/Background

Hurricane Irma (EM-3384/DR-4336) and Hurricane María (DR-4339), catastrophically devastated Puerto Rico in September 2017. In response, the Federal Emergency Management Agency (FEMA) and other Federal awarding agencies began to provide immediate Federal disaster relief assistance to Puerto Rico, its municipalities, and eligible private nonprofit organizations to address the wide range of response and recovery needs facing the Island. Federal grant programs come with a Non-Federal share, or "local match," requirement, which can be met with HUD CDBG-DR funds. To facilitate and expedite recovery from Hurricanes Irma and María, the PRDOH Non-Federal Match Program (NFMP) has been established to use CDBG-DR dollars to supplement Federal grant funding provided to the eligible Subrecipient Island-wide. This Program and SRA address the local match requirements that the Subrecipient must meet to participate in the FEMA Public Assistance (PA) program and identify items PRDOH needs from the Subrecipient so that PRDOH can provide HUD-compliant match payments for eligible work for this entity.

The primary partners to PRDOH in the NFMP are the Central Office for Recovery, Reconstruction and Resilience (COR3) and Subrecipients who for Hurricane Irma have a twenty-five percent (25%) cost share requirement and for Hurricane María, generally a ten percent (10%) cost share for FEMA PA projects. PRDOH will be providing the majority of cost share for the FEMA Project Worksheets (PWs) associated with these disasters by working directly with COR3 to access data and provide the match payment and with Subrecipient who will provide documentation required by HUD so that PRDOH can ensure full HUD compliance and reimburse Subrecipient for their cost share.

2. National Objective

PRDOH anticipates that three (3) national objectives will be used in the NFMP. PRDOH will work with entities who are funded through this Program to evaluate the service area and determine the national objective for each project. PRDOH anticipates that the two (2) national objectives that will be used most frequently are Low-and-moderate-income (LMI)-area benefit and Urgent Need (UN).

Projects in the Program will meet of one of these national objectives:

- Benefit to LMI Persons (24 C.F.R. § 570.483(b))
- Urgent Need (UN) activities (24 C.F.R. § 570.483(d))
- Aid in prevention or elimination of Slums or Blight (SB) (24 C.F.R. § 570.483(c))

The Subrecipient shall certify, in the form requested by PRDOH, the qualifying activities in order to evidence that one (1) of the three (3) National Objectives has been met. Notwithstanding the above, the Subrecipient agrees to prioritize serving the LMI national objective.

3. Program Description

Like PRDOH's relationship with HUD, COR3 works directly with FEMA to implement all FEMA recovery programs, including the PA program, which is covered by this

SRA. To minimize the burden on the Subrecipient of providing similar documentation multiple times to both COR3 and FEMA, and to simplify the match reimbursement process, PRDOH and COR3 are collaborating to implement this Program, and COR3 has provided PRDOH with access to data and documentation that has previously been compiled and submitted to COR3 and FEMA.

Due to differing programmatic requirements between FEMA Public Assistance and CDBG-DR, PRDOH will in some cases need to work directly with Subrecipient to obtain additional documentation that is not contained in COR3 or FEMA's systems.

The FEMA PA Program is one (1) of the largest FEMA's recovery programs in terms of total dollars, as it provides grants to units of governments and nonprofit entities to rebuild and repair disaster-impacted facilities. FEMA categorizes work based on the type of facility that needs to be repaired or replaced following a disaster.

These categories are:

FEMA Public Assistance Category	Work Type
Category A – Debris Removal	Emergency Work
Category B – Emergency Protective Measures	Emergency Work
Category C – Roads & Bridges	Permanent Work
Category D – Water Control Facilities	Permanent Work
Category E – Building and Equipment	Permanent Work
Category F – Utilities	Permanent Work
Category G – Parks, Recreational, and Other	Permanent Work

As noted above, PA projects can also be categorized as either being for emergency, response-related work or for permanent, long-term recovery work. Emergency work takes place immediately after a disaster event and falls into two (2) FEMA categories while permanent work is done to repair or replace a damaged facility or asset and falls into five (5) categories. PA Applicants may have work at the same facility that is both response and recovery related; however, FEMA, when obligating funds, clearly segregates the scopes of work, so that funding is not being duplicated for the same scope.

4. Tasks

The Subrecipient agrees to complete all the required tasks described below, for which the PRDOH will provide the necessary technical assistance (TA) to complete them:

Task 1. Access to Documentation

Activity: A key area of compliance for HUD CDBG-DR projects is record-keeping and documenting that during HUD monitoring, all items needed to substantiate a reimbursement request are available for review. While PRDOH will first seek to obtain most documentation from materials that the Subrecipient has previously provided to COR3 and FEMA, some HUD-required materials may not be in the documentation previously provided and will need to be obtained directly from Subrecipients. This documentation may include detailed information on procurement processes and proof of payments to contractors and employees. PRDOH expects that most of these materials will be able to be provided through electronic means.

Deliverable: Throughout the life of the program, the Subrecipient will, as needed, provide PRDOH with the documentation PRDOH requires to

determine program eligibility and compliance with HUD CDBG-DR specific requirements so that PRDOH can issue a match payment to the Subrecipient for CDBG-DR eligible work. These requirements include environmental review, Civil Rights requirements, as defined below, Section 3, M/WBE, and Davis Bacon, among others.

Task 2. Participation in Mandatory Technical Assistance

Activity: A focus area for HUD is ensuring that PRDOH provides TA to Subrecipients who receive CDBG-DR funding. PRDOH will provide TA to Subrecipients throughout the life of the Program in order to ensure that areas that could pose challenges for documenting full programmatic compliance are addressed. TA workshops will initially cover broad federal cross-cutting areas that are applicable to both HUD and FEMA. These will be followed by TA on HUD-specific topics that are pertinent to applicable phases of Subrecipients' project portfolios.

Deliverable/Outcome: The Subrecipient agrees to participate in the TA workshops provided by the PRDOH to best ensure CDBG-DR compliance throughout the life of the Program. In the event that the Subrecipient decides to not participate in TA workshops, PRDOH reserves the right to place on hold, suspend or terminate the SRA and not provide corresponding reimbursement under the Program.

Task 3. Follow Procurement and Contractual Requirements

Activity: A key area of compliance is ensuring that procurements are done in a manner compliant with all applicable CDBG-DR requirements, and the corresponding contracts awarded include the required clauses. Due to the considerable amount of disaster recovery work that will take place and that will require CDBG-DR funding to cover the Non-Federal share, PRDOH will adopt the procurement validation completed by FEMA and COR3, in accordance with the Procurement Manual for the CDBG-DR, CDBG-MIT, and CDBG State Programs Regulation No. 9506 (effective on October 25, 2023).

The Subrecipient agrees to comply with all requirements established by FEMA and 2 C.F.R. §§ 200.318-200.327 and to provide any additional supporting documentation requested by PRDOH to comply with applicable policies and regulations for any work that is expected to receive CDBG-DR funding.

Furthermore, the Subrecipient understands that, if the appropriate procurement procedures are not followed, they may not be considered eligible for corresponding match payment.

Procurement processes validated by FEMA and/or COR3 will be stored under the PRDOH system of record and may be subject to monitoring or auditing by the PRDOH, HUD, or any other entity with such authority.

Deliverable/Outcome: The Subrecipient agrees to comply with all requirements established by FEMA and 2 C.F.R. §§ 200.318-200.327 and to provide any additional supporting documentation requested by PRDOH to comply with applicable policies and regulations. For all procurement processes corresponding to projects included within a PW, the Subrecipient shall also submit a certification to PRDOH indicating compliance with 2 C.F.R. §§ 200.318 – 200.327.

All contracts executed for services or work to be performed under a PW which will receive cost share funding, must include the standard CDBG-DR clauses to ensure compliance with Labor and Civil Rights requirements.

Task 4. Compliance with CDBG-DR Requirements: Section 3 & Minority/Women-Owned Business Enterprises (MWBE) Best Faith Efforts and Davis Bacon

Activity: Subrecipient agrees to participate in outreach events and utilize PRDOH resources to ensure compliance with Section 3, M/WBE, and other applicable hiring goals for projects funded through the Program. Subrecipient agrees to timely file all Section 3 compliance documentation, including but not limited to submission of any and all required reports and supporting documentation.

A key difference between FEMA and HUD funding, and an area of focus for HUD, is ensuring that best faith efforts for Section 3 take place and that Section 3, M/WBE, and Davis Bacon reporting is ensured by both Subrecipient and contractors.

One of the best ways to ensure that the spending targets and compliance are met is that prior to procurements taking place, Section 3 and/or M/WBE firms are considered and built into project teams. Throughout the life of the program, PRDOH will provide TA to the Subrecipient on Section 3, M/WBE, and Davis Bacon requirements so that the overall Program targets for PRDOH are met and best faith efforts are documented.

Deliverable/Outcome: Subrecipients will be required to participate in the TA workshops and may be required by PRDOH to participate or conduct other outreach events that are designed to ensure that CDBG-DR compliance with these requirements is achieved. In the event that the Subrecipient decides to not participate in TA workshops or engage in strategies that PRDOH develops to meet these goals of the Program, PRDOH reserves the right to place on hold, suspend and/or not provide reimbursement for PA projects being undertaken by Subrecipient. Subrecipients are advised that compliance with these focus areas may require that specific clauses are included in all service and construction contracts executed to carry out the work included in the PWs for which cost share is being provided.

Task 5. Submit Requests for Reimbursement and Provide Proof of Payment of Payments to COR3

Activity: A key area of focus for HUD is ensuring that CDBG-DR projects are reimbursement-based and that contractors who undertook work are paid for services provided. HUD requires that all documented costs were incurred and completed. As a result, PRDOH cannot approve CDBG-DR reimbursement for work that the Subrecipient undertook until it has obtained proof that the work was performed, completed and that this information is uploaded to PRDOH databases.

Upon completion of the work performed of the respective FEMA PW's scope of work with Non-Federal cost share, the Subrecipient shall submit to COR3 all required documentation to support expense, uploaded in COR3 Grant Management System (DRS).¹ To minimize the burden on Subrecipients of providing similar documentation multiple times, the Program will access, and download required documentation from COR3 database to ensure match payment eligibility. PRDOH shall request additional documentation from the Subrecipient to ensure CDBG-DR compliance. The Program cannot evaluate match payment eligibility without the required supporting documentation submission to COR3 database.

Deliverable: The Subrecipient shall submit to PRDOH the required documentation to support and request payment under the Program. Upon

¹ COR3 Chapter 7 Payment and Cash Management policies.

HUD GENERAL PROVISIONS AND OTHER FEDERAL STATUTES,
REGULATIONS, AND PRDOH REQUIREMENTS
NON-FEDERAL MATCH PROGRAM
MUNICIPALITY OF GUAYNABO

Given that the Subrecipient Agreement (SRA) involves funds for which the U.S. Department of Housing and Urban Development (HUD) is the oversight agency, the following terms and conditions may apply to this SRA. In addition, SUBRECIPIENT shall comply with the Federal Labor Standards Provisions set forth in Form HUD-4010, available at <https://www.hudexchange.info/resource/2490/hud-form-4010-federallaborstandards-provisions/>.

These terms and conditions must be included in their entirety by the SUBCONTRACTOR in all purchase orders or subcontracts that are directly related to the SRA, even though some of the terms and conditions might not apply to a particular kind of purchase order or subcontract.

These general provisions may be updated from time to time. It is the sole responsibility of the SUBRECIPIENT to be aware of any changes hereto, to amend and implement such changes, and to ensure subcontracts terms and conditions are modified as necessary, if any.

General Provisions:

1. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and clause required by law to be inserted in this SRA shall be deemed to be inserted herein and the SRA shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, the SRA shall forthwith be physically amended to make such insertion or correction.

2. STATUTORY AND REGULATORY COMPLIANCE

SUBRECIPIENT shall comply with all laws and regulations applicable to the Community Development Block Grant-Disaster Recovery funds appropriated by the Supplemental Appropriations for Disaster Relief Requirements, 2017 (Pub. L. 115-56), approved September 8, 2017 (Appropriations Act), as amended, including but not limited to the applicable Office of Management and Budget Circulars, which may impact the administration of funds and/or set forth certain cost principles, including if certain expenses are allowed.

3. BREACH OF SUBRECIPIENT AGREEMENT TERMS

The Puerto Rico Department of Housing (PRDOH) reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this SRA, in instances where the SUBRECIPIENT or any of its subcontractors violate or breach any SRA term. If the SUBRECIPIENT or any of its subcontractors violate or breach any SRA term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the SRA documents, and the rights and remedies available thereunder, shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4. REPORTING REQUIREMENTS

The SUBRECIPIENT shall complete and submit all reports, in such form and according to such schedule, as may be required by the PRDOH and/or the Government of Puerto Rico. The SUBRECIPIENT shall cooperate with all the PRDOH and/or the Government of Puerto Rico efforts to comply with HUD requirements and regulations pertaining to reporting, including but not limited to 2 C.F.R. § 200.328 and 24 C.F.R. § 570.507, when applicable.

5. SMALL AND MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

The SUBRECIPIENT will take necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used in subcontracting when possible. Steps include, but are not limited to:

- 
- (i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
 - (ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
 - (iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
 - (iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises; and
 - (v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

Additionally, for contracts of \$10,000 or more, the SUBRECIPIENT shall file Form HUD 2516 (Contract and Subcontract Activity) with the PRDOH on a quarterly basis.

In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the SUBRECIPIENT under this Agreement shall, at the option of the PRDOH, become the PRDOH's property and the SUBRECIPIENT shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the SUBRECIPIENT shall not be relieved of liability to the Government of Puerto Rico and PRDOH for damages sustained by the Government of Puerto Rico and/or PRDOH by virtue of any breach of the Agreement by the SUBRECIPIENT, and the Government of Puerto Rico and/or PRDOH may withhold any payments to the SUBRECIPIENT for the purpose of set-off until such time as the exact amount of damages due to the Government of Puerto Rico and/or PRDOH from the SUBRECIPIENT is determined.

Part 8, which implement Section 504 for HUD programs, and the regulations of 24 C.F.R. Part 146, which implement the Age Discrimination Act for HUD programs.

The SUBRECIPIENT shall ensure that all CDBG-DR/MIT activities conducted by itself or its contractors are consistent with the applicable federal and local legal provisions, regulations, and policies that prohibit discrimination on the basis of race, creed, color, national origin, religion, sex, disability, familial status, actual or perceived sexual orientation or gender identity, marital status, or age, as established in the CDBG-DR Fair Housing and Equal Opportunity (FHEO) Policy for CDBG-DR Programs.¹

57. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT

The SUBRECIPIENT shall ensure that its Activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968, 42 U.S.C. §§ 4151-4156, requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of "residential structure" as defined in 24 C.F.R. § 40.2 or the description of "facilities" in 41 C.F.R. § 102-76.60 are subject to the requirements of the Architectural Barriers Act of 1968 and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 C.F.R. Part 40 for residential structures, and 41 C.F.R. Subt. C, Ch. 102, for general type buildings).

The Americans with Disabilities Act of 1990 ("ADA"), 42 U.S.C. § 12101 *et seq.* (ADA), provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

58. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 (24 C.F.R. PART 1)

No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this Agreement. Part 1.

In all other cases the assurance shall obligate the SUBRECIPIENT for the period during which Federal financial assistance is extended pursuant to the contract or application.

As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended, 15 U.S.C. § 632 (a), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish

Parts 1, 3, 5, 6, and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than eight (8) units.

- a) If Subrecipient (or, to the extent permitted by superior loan documents, any lender to which DOB Proceeds are payable) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to PRDOH, if Subrecipient received Grant Proceeds under the Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.
- b) In the event that Subrecipient receives or is scheduled to receive any Proceeds not listed on its Duplication of Benefits Certification ("**Subsequent Proceeds**"), Subrecipient shall pay such Subsequent Proceeds directly to the PRDOH, and PRDOH will determine the amount, if any, of such Subsequent Proceeds that are DOB Proceeds ("**Subsequent DOB Proceeds**").
